<b>Belize</b>	Tierra Maya Tours	Entry via Belize City Int. Airport and across the national land borders of Mexico or Guatemala is now also possible.	Only certain state-checked and recognized hotels, transport and tour guides can be booked. Download the "Belize Health" app and enter personal information no later than 72 hours prior to arrival. When entering the Int. Airport Belize City PCR COVID-19 test is required (less than 72 hours before entry). When entering national land borders, a minimum of 3 nights in the country in state-approved and recognized hotels must be shown. COVID-19 tests you bring with you will not be accepted in Belize at the land border. All persons must show a fully stamped vaccination card when entering the land border, but random health checks can still be carried out on arrival at the expense of the traveler (USD 50.00 per person). Anyone without a vaccination card will undergo a COVID-19 test at their own expense upon arrival at the land border (USD 50.00 per test). People who test positive for COVID-19 at the land border and their fellow travelers will be refused entry.	PCR COVID-19 test are to show upon entry at the Int. Airport Belize City (test not older than 72 hours). Follow the instructions and guidelines of the local health authorities (mask in the airport, frequent hand washing, distance 1.5 m). Randomly selected health checks upon entry, thus possible second COVID-19 test at the expense of the traveler (USD 50.00 per person). Entry across national land borders see column next to the left.	Most of the archaeological sites and tourist activities are open. However, all activities can only be visited with state-certified and recognized transport companies and tour guides. Self-drive trips are now possible again.	Belize City International Airport is open, as are most of the country's domestic airports.	Daily flights from USA to Belize City. Flights from Cancun to Belize City currently six times a week. At the moment there are also flights from Belize City to Guatemala City five times a week.	In Belize, more stringent cancellation conditions apply, which will be communicated on a case-by-case basis depending on the service provider.	<a href="http://travelbelize.org/health-safety">travelbelize.org/health-safety</a>

Dominican Republic	Caribbean Tours	All airports and tourist activities in the Dominican Republic have reopened, including the reactivation of air routes from Europe, Latin America, Canada and the United States.	Travelers are not required to present a negative test result for COVID-19 upon arrival. However, rapid tests will be conducted on randomly selected travelers upon arrival. Passengers under five years of age and crew members are exempt from this requirement.	<p>All foreign and Dominican passengers entering or leaving Dominican Republic on commercial flights must complete the free electronic entry and exit form, which combines the Traveler's Health Affidavit, Customs Declaration and International Embarkation/Disembarkation forms. The form is available in English, Spanish, French, Italian, German, Portuguese and Russian and can be accessed through the following link: <a href="https://eticket.migracion.gob.do">https://eticket.migracion.gob.do</a>. For more information and an instruction video, please visit: <a href="https://viajerodigital.mitur.gob.do/">https://viajerodigital.mitur.gob.do/</a>.</p> <p>To save time in the arrival procedure, we recommend filling out the entry form 72 hours before travel, printing out the QR code or taking a screenshot of it and keeping it ready until arrival, where it will be scanned by the authorities when the passenger is going through customs. Passengers must fill out one form for arrival and one form for departure and the system will generate two QR codes. If you want to make a change to the form, you will have to fill it out again.</p>	All airports, ports and tourist activities in the Dominican Republic have reopened. In addition to most all-inclusive hotels, most national parks and beaches have also opened. There are a few private resorts and small hotels that have not yet recovered 100% from the pandemic, but these can be requested individually.	All airports are open	<p><b>Iberia:</b> MAD-SDQ</p> <p><b>Lufthansa:</b> FRA-PUJ + FRA-SDQ</p> <p><b>Edelweiss:</b> ZRH-PUJ + ZRH-POP</p> <p><b>Air France:</b> CDG-PUJ</p> <p><b>Condor:</b> FRA-SDQ + FRA-POP</p>	We can discuss the various options with our operators and agencies basing on our GTC and cancellation policy before check-in. We will make sure to be as flexible as possible.	<a href="http://godominican-republic.com/newsroom/coronavirus/">godominican-republic.com/newsroom/coronavirus/</a>
